Subject: PY1 – Contribution Made by Network Logistics

Dear Mr. Ameen

Network Logistics worked with HOEC during 2009 on completion of the PY1 Field Sun platform completion, testing and commissioning. Network Logistics performed these tasks:

- Detailed Work planning and management of trades personnel for efficient working
- Field survey and drafting of piping isometric drawings
- Welding and radiographic examination of process and utility piping
- Glanding and termination of electrical cables
- Pulling, glanding and termination of instrument cables
- Installation of pipe and cable supports
- Maintenance and compilation of the as-built data set
- Provision of commissioning assistance personnel

Network Logistics worked safely and, complied with PY1 project technical requirement. HOEC thanks Network Logistics for this contribution to bringing the PY1 Field into production in 2009.

Yours faithfully
